

CeuVit BE
Vitamin B & E Tablets for Dog & Cats

CeuVit BE specifically formulated to help promote activity and all-round good health, important for any dog, including working breeds. These tablets combine the goodness of B-complex vitamins together with vitamin E, selenium and zinc. Feeding these tasty tablets will help to keep your dog alert and ready for action.

B-Complex Vitamin

As B-Complex vitamins are water soluble, they cannot be stored in the body to any great extent. Therefore, **CeuVit BE** tablets are an ideal way of boosting your dog's supply of these important vitamins throughout the day.
